Let's get started!

Here's what you have in your pack:

Your monthly supply of boxes

Mailer bag for extra protection
DHL stickers to return the box to us
Stickers to seal and decorate your box!

First, lay your box out flat. Take hold of the two small flaps.

Bring the flaps up to the center and align them over the slits in the box.

Then take the longer side panels and fold them up over the top of the small flaps.

Push the tabs on the end of the panels into the slits in the box.

Lift the lid up covering the inside of the box, and insert the remaining flaps inside too.

Now tuck the tab on the lid into the gaps along the front of the box.

Keep all the lovely food you've donated sealed in the box with the sticker provided. If you have tape, you can add it along the edges for added strength.

Personalise your box with the included stickers. When ready to go, insert the box into the mailer bag.

Place the pre-paid DHL sticker on the bag and simply drop it off at a local DHL drop-off point.

To look up your local drop-off point scan this QR code or go to **food.gives/dhl** or simply give us a call on **01793 317778,** and we'll connect you with a local food.gives collection point which can send your food box onto us.

We look forward to receiving your food box at the warehouse!
